

Choose an Aqua Duck Adventure for a voice recording video.

# Before the Video Session

- Form groups of 3-5 voice actors.
- Select one of the Aqua Duck adventures for your video.
- Voice actors read the Aqua Duck adventure 2 or 5 times on your own.
- Think about who is speaking.
- Practice creating the sound effects.
- How can you make it fun and exciting?

# Voice Actors Choose the Characters

## Example: Aqua Duck Adventure #1 Defender of the Aquifer

Note: A voice actor may do a major character and also a minor character.

### Characters/Roles:

- Page Scroller Voice Actor \_\_\_\_\_
- Narrator Voice Actor \_\_\_\_\_
- Aqua Duck Voice Actor \_\_\_\_\_
- Otto Voice Actor \_\_\_\_\_
- Buck Voice Actor \_\_\_\_\_
- Mallory Voice Actor \_\_\_\_\_
- Sludge Voice Actor \_\_\_\_\_
- Toxie & Slick Voice Actor \_\_\_\_\_
- Sound Effects Voice Actor \_\_\_\_\_

Mallory, Aqua Duck, Otto and Buck

Sludge

# The voice actors meet in Zoom(\*) from their separate locations

(\*or a similar web platform that can record the meeting)

1. One person, the Page Scroller, opens the Aqua Duck comic (script) pdf on their computer.
2. The Page Scroller shares their computer screen and minimizes the participants' window. This way none of the voice actors' faces can be seen during the video session.
3. Voice actors practice the script as many times as needed until they feel ready to perform.
4. Page Scroller starts recording the zoom meeting and voice actors perform the script.
5. An MP4 video is created when the zoom meeting ends.
6. Upload your video to YouTube so you can share it with us.

Go to Activity 6 to share your video link with us.

- We will review your video for:
  - Accuracy in reading the script.
  - Expression
  - Sound Effects
  - Originality
- If selected by the review team, your video will be added to the Aqua Duck Science Extravaganza Booth for other students to enjoy.
- Thanks for accepting the challenge.

We hope you had fun!
